RE: CPRA/Sunshine Ordinance – BC-V479034– Electronic Communications Audit

To Whom It May Concern:

NOTE: Every response you send or provide (including all responsive records) may be automatically and immediately visible to the general public on the MuckRock.com web service used to issue this request. (I am not a representative of MuckRock)

We request under the Oakland Sunshine Ordinance (Ordinance) and the California Public Records Act (CPRA) the following items from the City of Oakland (the “local agency” under CPRA).

Please provide only those copies of records available **without any fees**. If you determine certain records would require fees, please instead provide the required free notice of which of those records are available and non-exempt for inspection in-person if we so choose. Please use email to respond.

We remind you of your obligations to provide electronic records in the original format you hold them in. If you choose to convert emails, for example, to PDF format, to easily redact them, you must ensure that you have preserved the full content of the original email record, which contains many detailed headers beyond the generally used From/To/Subject/Sent/etc. For the chat apps, a screenshot or print-out is acceptable. Please review your obligations to provide public records that are on private accounts/devices per City of San Jose v Superior Court (Smith, real party in interest, 2017).

If you use PDF, use properly redacted searchable or text pdfs. Please don’t use image PDFs to make it harder to analyze the records. If you provide PDFs instead of original email files, only give a few of the headers or lacking attachments/images, and/or improperly withhold public records that exist on private accounts/devices you may be in violation of Ordinance and/or CPRA, and we may challenge your decision at the Public Ethics Commission, judicially, and/or via any other remedies available to us.

Note: Your local Sunshine Ordinance appears to purport to delay our seeking of judicial review until after we exhaust certain local administrative appeals processes. While that may apply to specific benefits accorded by the Sunshine Ordinance, it cannot prohibit us from seeking immediate judicial review under Cal Govt Code 6258 to enforce our CPRA rights. Your local ordinance cannot reduce our rights under State law.

You must justify and minimize all withholding. You must also provide a determination under the CPRA, for each of our individual requests below whether or not you: have NO responsive records, DISCLOSED ALL responsive records, WITHHELD ALL responsive records, or DISCLOSED SOME and WITHHELD SOME records. While you are not required under CPRA to create any new records, for your convenience Exhibit A is a matrix of all the records we have requested by official that you may use to indicate your CPRA determination.

The CPRA does not require me to provide my name or use any particular form to make a request. I will remain anonymous.

Provide records in a rolling fashion. Do not wait for all records to be available. I look forward to your prompt disclosure, and a response within 10 calendar days.

PART 1 – Email

If a person has multiple email addresses (including but not limited to email aliases), 10 emails from each are requested. For example an official may have a public-facing email alias and also an email address she uses to do business internally- 10 from each are requested. Please do not include spam or product advertisement emails.
